

# PROTON ALIGNMENT RESONANCE TECHNOLOGY™

## Why you need the Bionic Band®

Every day your body is bombarded by thousands of frequencies from hidden pollution that you can't hear, smell, touch, taste, or feel. This pollution is caused by cell phones, computers, televisions, microwaves, household appliances, external and internal power lines, etc. These frequencies cause the protons in your body to spin in different directions, which makes them vibrate and become weaker and unbalanced.

## How it works

What makes the **Bionic Band®** different is “**Proton Alignment Resonance Technology™**” (P.A.R.T). Perfect World Solutions, Inc. has a state-of-the-art machine that aligns all the protons in their products to spin (or resonate) in the same direction.

In simplified terms, when the **BionicBand®** comes into contact with your skin, it causes all the protons in your body to resonate in harmony with each other instead of against each other. The **Bionic Band®** acts as a single frequency that overrides all other frequencies and allows the protons to work in unison.

Some of the results that have been submitted by users wearing the **Bionic Band®** are an **increase in Balance, Strength, Coordination, and Energy.**

Additional benefits for thousands of people have been as an aid in quality of sleep, less stress, and **reduction or elimination of PAIN: Arthritis, Back Aches, Muscular, Carpal Tunnel, Fibromyalgia, Fatigue, Tendonitis, Migraines, Poor Circulation, Tennis Elbow & much more.**

**Dr. Gordon Pedersen PhD.** is an internationally renowned scientist and the man behind the science of the incredible **Bionic Band®**.
