Instructions:

GENTLE FACIAL CLEANSER

Our My Forever Young gentle facial cleanser is made from 100% natural and organic sources: purified water, enzymes, minerals & botanicals from seed-bearing and leafy green plants.

Directions: Push pump and apply cleanser to your hands, then wash face thoroughly, rinse when finished. While face is still damp, apply My Forever Young revitalizing skin cream.

REVITALIZING FACIAL SCRUB

Our My Forever Young revitalizing facial scrub uses organic coconut sugar to gently exfoliate dead skin cells while organic Coconut oil helps soften skin, leaving your face fresh & renewed.

Directions: Pour a small amount of scrub into your hand; add our cleanser or Coconut Oil to create a paste. Massaging in a gentle circular motion upon your face; avoiding the delicate areas around the eyes. Rinse well and Smile!

MY FOREVER YOUNG SKIN CREAM

Our revitalizing skin cream will help heal skin, while moisturizing & protecting, rejuvenating, tightening and toning. It diminishes fine lines!

Directions: After cleansing and/or exfoliating your face; while your skin is still damp, apply skin cream. Add a bit of water if needed for desired consistency. Follow with Moisturizer.

PROTECTING MOISTURIZER

Our natural and organic body lotions moisturize and protect the skin, while helping to heal and soften the skin to give a more youthful look.

Directions: Apply the desired amount of lotion to the body and face, massaging into the skin.

"After just a few days of using My Forever Young™, my skin was so much more soft and smooth."
